

History PhD Program Application Instructions for Fall 2018

Required sections of the application are marked with an asterisk (*) but we respectfully request that you complete all applicable components (unless otherwise instructed below). A number of responses in the not-required sections help us determine your eligibility for various fellowships for which we cannot nominate you without the information provided.

Application Instructions page

Please select the admit term Fall 2018 and the program History PhD.

Program Information page

Please select a primary research interest/study emphasis. This will become your first field and cannot be changed after you matriculate.

Please select a secondary research interest/study emphasis. This should be related to your intended second or third field in some way, but you may change it after you matriculate.

Biographical Information page

If you are a dual citizen of the United States, please select “United States” under “Citizenship” and select the country of your other citizenship under “Dual Citizenship.”

Please **do not** include any faculty whose names do not appear above.

Supporting Materials page

Please **do not** submit a resume or CV; it will be deleted prior to faculty review.

Please submit a ten page (1.5 or double spaced) writing sample; if a longer sample is uploaded, the PDF will be edited so that faculty can only review the first ten pages. Exception: If you are excerpting from a longer paper, you may submit an abstract as an additional page.

Please list publications and presentations and honors and awards as applicable.

Please **do not** link to a website; it will be deleted prior to faculty review.

Please complete the other institutions survey.
